

International Conference & Training Course on UAV & Remote Sensing Technology and its Application

(First Announcement)

September 27, 2019, **China-Tajikistan Research Center for UVA Application** was established in Dushanbe and jointly supported by the CAS Research Center for UAV Applications and Regulation, CAS Research Center for Ecology and Environment of Central Asia with the Tajikistan Academy of Sciences, Committee for Emergency and Civil Defense, and Ministry of Transportation focused on the application of UAV Technology on disaster emergency, resource monitoring, boundary patrol control, land survey and other fields in Tajikistan and Central Asia.

In order to promote the UAV technology and its application, especially for the countries along the Silk Road, this Conference and Training Course will be held for the academic exchanges on research and development of UAV technology in Dushanbe, Tajikistan from May 22 to 31, 2019.

Date & Venue:

May 22 to 31, 2019, Dushanbe, Tajikistan

Organizers:

CAS Research Center for Ecology and Environment of Central Asia

CAS Research Center for UAV Applications and Regulation

Tajikistan Academy of Sciences

Strategic Priority A Program of Pan-Third Pole Environment Study for a Green Silk Road

Strategic Priority A Program of Scientific Engineering on Earth Big Data

Local Organizer:

Research Center for Ecology and Environment of Central Asia (Dushanbe)

Topics of Conference:

- ✧ Technology Development of UAV Platform
- ✧ Technology on Collection and Process of UAV Data
- ✧ Data Integration application of UAV and Remote Sensing
- ✧ Application on Eco-environmental Monitoring and Disaster Prevention and Alleviation
- ✧ Demands of Technology for Researches on Ecology, Environment and Climate Change
- ✧ Assembling, Controlling and Maintenance of UAV

Important Deadlines:

March 15, 2019: Release the 1st Announcement of Conference

April 23, 2019: Issue the official invitation letter

April 30, 2019: Return of the registration form

May 15, 2019: Release the 2nd Announcement of Conference
